Career Exploration Events

36

 thinkAG Career Competitions held

34.2K

 educational experiences through career exploration events

It was nice to work with students to teach them about different career paths related to agriculture. The students were highly engaged, asked thoughtful questions and overall the day was a lot of fun!

- Agriculture industry volunteer following a thinkAG Career Competition

of students can see how their skills and interest can be applied to a career in the agriculture and food industry following a thinkAG Career Competition

Virtual Field Trips

24

 live-streamed events

74K

 educational experiences through Virtual Field Trips

1.9K

 classrooms reached through Virtual Field Trips

My students enjoy all the AgScape Virtual Field Trips that we attend, and it is convenient to experience these opportunities virtually. Seeing inside the different facilities helps them better understand our agriculture and food system.

- Grade 4 teacher following a Virtual Field Trip

of teachers indicated that Virtual Field Trips increased their students' knowledge of our food system

Camp AgScape
