Ontario Agri-Food Education Inc. (trade name AgScape®) | 8560 Tremaine Road | P.O. Box 460  
Milton, ON | L9T 4Z1 | Registered Charitable # 13237 2285 RR001

AgScape® receives partial funding from the Ontario Ministry of Agriculture, Food and Rural Affairs

# Who We Are

## About

AgScape is a charitable organization focused on providing agriculture and food education programs, resources and events to Ontario educators and youth.

## Vision

Leading a movement to bring agriculture and food education into all Ontario classrooms. Inspiring youth to see their role within the food system that's a vehicle for social, economic, and environmental impact.

## Mission

Through experiential and science-based programs, we empower Ontario youth and educators to understand their relationship to the agriculture and food system and ignite interest in related careers.

# Your Support Matters

AgScape relies on the support of our members, donors and partners to help connect Ontario educators and youth to our food literacy programs and resources.

## Teacher Ambassador Program

AgScape's flagship program places trained educators, both in-person and virtually, into Grade 4-12 classrooms to lead workshops on food and agriculture. Students understand their role in our food system and the vast career opportunities available to them.

## Digital Resource Library

A robust and always evolving collection of Grade K-12 lesson plans and student activities accessible online and available to teachers across the province.

## Virtual Field Trips

Livestreamed tours of farms and facilities led by producers, farmers, and industry experts allowing teachers and students to learn about the diversity of practices and careers in Ontario's food system.

## thinkAG Career Competitions

Grade 5-12 students make connections with agriculture industry professionals. Through hands-on stations, students learn how their skills and interests can be applied to in-demand careers in food and agriculture.

## Camp AgScape

Youth ages 5-18 can explore food and farming through interactive educational activities on a fully accessible, gamified, online platform.

## Professional Development Workshops

Virtual workshops on a wide variety of food and agriculture related topics, aimed at educators and education professionals.

# Why Support Us

For over 30 years, AgScape has been the voice of agriculture in the classroom providing factual, balanced, curriculum-linked food literacy programs and resources to Ontario's educators and students.

Thanks to our supporters, over one million educational experiences are provided annually. With over two million students in Ontario, we're working towards closing that gap to ensure every student receives at least one agriculture and food education experience each year.

By joining our membership community, you'll be helping to build our program delivery capacity to meet demand, enhancing our resources, and supporting outreach to educators.

Your membership will help more students learn about the innovative agriculture and food sector and discover the promising career opportunities ahead for them.

“

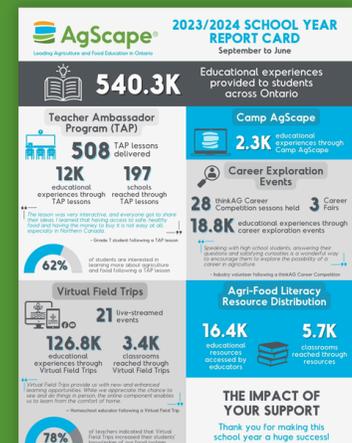

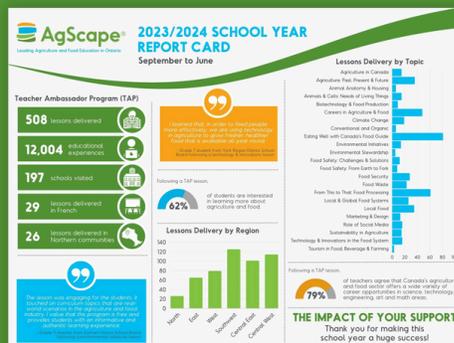

*I found this lesson very valuable because I learned about so many new opportunities in agriculture. Now I also know that no matter what my passion is in my everyday life, I can connect it and use my skills in some way in that field!*

”

Grade 8 Student, Peel District School Board following an AgScape Teacher Ambassador Exploration Lesson
