schools

”

The thinkAG Career Competition was a fantastic experience! It opened my eyes to the wide range of careers in agriculture, from technology to sustainability. I enjoyed the hands-on activities and the chance to hear directly from professionals. It was inspiring and has made me more excited to explore opportunities in the industry!

- Grade 7 student from Peel District School Board

Where We Went

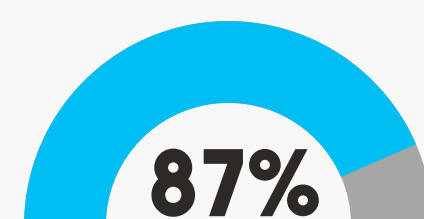

”

Students and staff thoroughly enjoyed their thinkAG experience. The presenters engaged everyone with their activities and their passion for their industry. Students were wowed. Thanks, AgScape and volunteers, for educating our students on the many career opportunities in agriculture.

- Grade 10 teacher from Halton District School Board

Following a thinkAG Career Competition,

of teachers agree that the thinkAG Career Competition increased their students' knowledge of careers in agriculture and food

of agriculture & food industry volunteers agree that their participation had a positive impact on students

”

It was wonderful to be part of an event that exposed youth to so many different aspects of sustainable food systems and agriculture. Seeing their curiosity and excitement as they explored each station—including ours—made the whole experience really rewarding and fun.

- Agriculture & food industry volunteer

Following a thinkAG Career Competition,

of students agree that there is a wide variety of career opportunities in agriculture and food

THE IMPACT OF YOUR SUPPORT

Thank you for making this another successful year!
